FROM THE COMMANDER...

For those of you who do not know me, my name is Bill Kaczmarek. At our Post's Social Meeting on Tuesday June 27th, I was sworn in as our new Post Commander. This is a tremendous honor for me. The responsibilities of which I do not take lightly.

Taking the mantle from our outgoing Commander John Ackey who has served the post in numerous capacities over the past several years is daunting. But, with everyone's help and support, I think we have a very good chance of growing our post and maintaining the vision and mission of the American Legion and our American Legion Family.

But first, let me take the time to thank each and everyone of you who has volunteered your time, talents or your treasure to make the post successful. From Booyah and Brat Barn sales to Christmas parties, Easter Egg hunts for the kids and last but not least, our ceremony detail. Supporting funerals for our fallen comrades. Thank you all so much!

A couple of the ways that I envision this happening is to work closer with our American Legion Family and by re-establishing the various committees that used to stand at the post. I will be asking the membership to

volunteer to serve on one or more of the standing committees such as Americanism, Children and Youth, Fundraising, National and Homeland Security to name a few. I will also ask each of you to become as generous with your time and talent to the post as you can.

So thank you, for entrusting the care of the Post to me and the team we're building together.

Commander Bill Kaczmarek

FROM THE AUXILIARY

Happy Summer!!!

Poppy Program: A huge thank you to all that signed up and set up at the various stores for our annual Poppy drive fundraiser. The weather cooperated again and came close to raising almost \$9,000. All proceeds go to our Veteran Programs locally and to places like Camp American Legion and all the VA Homes that serve our Wisconsin Veterans.

Thanks to Lena and Keith Goodman, the monthly Breakfast are back!!! We had a good turnout, but could have used a few more volunteers for the next one on July 15th.

Notice: The Auxiliary will not be holding our meeting in July.
